Happy Hour

All settled? Visit Fiddletree to unwind with a fresh coffee or signature cocktail.

Towels

Hang them up to reuse (just like at home). Toss them on the floor to replace. (We won't hold it against you.)

Bedding

We'll make your bed for you (perfect hospital corners and all) each day during your stay. Dirty your linens? Leave this card on the bed for a fresh set.

Drinking Water

Skip the plastic bottles and refill a reusable container. We've got glass jars in the bathroom to stay hydrated. Check the fridge for fresh water.

Fitness

Movement is medicine. We provide gym-quality equipment and private training options on-site. If you prefer to go outside, we're happy to help you find nearby running trails.

Live Plants

Smoke-Free Air

Help keep our air clean by smoking only in designated areas. We will apply a \$250 cleaning fee for smoking in non-designated areas.
